

Doddiscombsleigh

Our 12th Annual Harvest Supper

20th October 2021

*We have endeavoured as in previous years to use only ingredients from within 5 miles of the inn
(It used to be 10 miles, but, such is the brilliant larder here in Devon we have been able to reduce it to an amazing 5 !)*

Thank you for supporting this event – many of you since its conception in 2009
